

WATERCRAFT

Glatfelter is now offering a dedicated marine policy designed specifically to address the unique coverage needs of watercraft vessels greater than 250 horsepower including protections for crew members. These lead products are provided by A.M. Best A-Rated carriers, and are available to current Glatfelter clients. We also offer an option to add a Marine Vessel Pollution Policy through another market solution.

Coverage Definitions

- Hull & Machinery (H&M) Coverage is marine insurance covering damage sustained to an insured vessel.
- Protection and Indemnity (P&I) Insurance is liability insurance for maritime liability risks associated with the operation of a vessel, other than that covered under a workers' compensation policy and under the collision clause in a hull policy.
